ORDER:

In the reference 1st read above, Sri Muthumula Ashok Reddy, M.L.A., Giddalur, Prakasam District has requested for sanction of an amount of Rs.325.00 lakhs for providing Water Supply from Ongoing Gundlamotu Reservoir to Giddalur Nagarpanchayat to overcome the drinking water problem.

2. In the reference 2nd read above, the Engineer-in- Chief, Public Health, A.P., Guntur has informed that the water supply demand @ of 70 LPCD is 2.95 MLD against which the town being supplied with 1.22 MLD of water once in (4) days. The supply is being made from 85 Nos. of working bore wells against 135 Nos. and by transportation of water through tankers. Due to prevailing drought conditions for the last three consecutive years, the ground water table has depleted drastically and the water is now available at 800 to 1000 ft. The town is completely depending upon the ground water even since inception of the Grama Panchayat and till today. As there is no assured and dependable source near by the town, a DPR is formulated with Nagarjuna Sagar Canal as source near Dupadu located at a distance of 110 Kms. Prepared with an estimate cost of Rs.285.00 Crores and posed to AIIB funding for sanction. He has further informed that due to longevity and financial crunch in sanction of permanent scheme, and to tide over the immediate drinking water crisis in Giddalur town, the midterm assured proposal is formulated by drilling borewells and laying the pipelines to the Giddaluru town from the pickup Anicut constructed across the Gundlamotu stream originated from Nallamala Forest.

3. The Engineer-in-Chief (PH), A.P., Guntur has, therefore, requested to accord administrative sanction for Rs.595.00 lakhs under either from the State

Finance Commission Grants or under any Special Grant at an early date, so as to tide over the drinking water crisis in Giddaluru Nagarpanchayat.

4. Government, after careful examination, hereby accord the Administrative sanction to the Engineer-in-Chief (Public Health), Andhra Pradesh, Guntur for providing Water Supply from Ongoing pickup Anicut of Gundlamotu Stream to the Giddalur Nagarapanchayat, so as to tide over the drinking water crisis in Giddaluru Nagarapanchyat with an estimated amount of Rs.595. 00 lakhs The total expenditure shall be met from the State Finance Commission Grants 2016-17.

5. The Engineer-in-Chief, Public Health, A.P., Guntur / the Director of Municipal Administration, AP., Guntur shall take necessary action in the matter.
